The Western States Health-e Connection Summit and Trade Show is a two-day event produced by Arizona Health-e Connection in collaboration with AMIA, AzHIMA and AzHIMSS. The Summit takes place at the Phoenix Convention Center and brings together health information technology (HIT) and health information exchange (HIE) stakeholders from across.

The Summit provides a chance to spend time with people "just like you" – those working in our dynamic industry. The event is large enough to offer a top-notch agenda covering the issues in our field, but small enough to provide lots of opportunities to make new friends and catch up with old colleagues.

Summit Highlights

- Great price. Registration is just \$250 for two days!
- Knowledge gathering. Timely and relevant content presented by national and regional thought leaders. [View agenda.](#)
- Information sharing. Network with 400+ colleagues and contribute your thoughts, ideas and opinions.
- New ideas. Interact with 50+ trade show exhibitors in a low-pressure environment.
- Sightseeing. Add a day or two on either end of your trip to see the sights of beautiful Arizona.

Agenda Highlights

- Update on Economic Stimulus implementation and policy
- Meaningful Use panel
- PHR, privacy & consumer preferences
- Workforce development & training
- Mobile health & innovation
- Western region updates on HIE and HIT efforts
- International perspectives
- And more!
